

# REGIONAL TRAINING FLEETS

## RUNNING A TRAINING COURSE BUT SHORT OF BOATS?

RYA East operates training fleets of Optimists, Toppers, RS Fevas and windsurf boards and rigs. They are available for clubs to use in promoting grass-roots training of young would-be sailors.

It doesn't cost much to hire a training fleet. Our charges are just enough to cover maintenance bills and help towards replacing aging fleets.

They can only be used under the supervision of a qualified RYA instructor.

RYA East has available: three fleets of six Optimists, two fleets of six Toppers and a fleet of three RS Fevas.

Each fleet comes mounted on its own road trailer, complete with sails, spars, rigging and lifejackets. Users must provide their own lighting board and insurance.
